

ASKA Swimming Club

Gala Photography

We appreciate that many parents, relatives & friends wish to take photographs at this gala.

In line with the latest “Wavepower” Safeguarding advice issued by Swim England & Swim Wales, we are happy for you to take photos & videos at this gala today, providing...

- There is no live streaming of video (eg: Face Time or Facebook Live, etc)
- Your child is the main subject of the photo or video
- You consider the privacy of others in the photo or video when deciding to post it on social media.

Many thanks for your co-operation & understanding.
